Eligibility

Membership

All persons attending British Gymnastics events in an official capacity, whether as a gymnast, coach or judge are required to hold a current British Gymnastics membership in line with the level of competition entered and awards held.

- **Gymnasts**

Membership level must be Competitive Gymnast, Coach or Life Member of British Gymnastics, in order to enter a British Gymnastics Event.

In normal circumstances, gymnasts should also be a member of a British Gymnastics registered club.

In exceptional cases, where a gymnast does not belong to a British Gymnastics registered Club, they must contact the Events Department and request entry into the Event. If granted, such gymnasts will be given the classification as being "Independent". In such circumstances independent gymnasts must nominate a coach and must also meet all other membership requirements.

For all Grades/NDP Events, gymnasts must hold current British Gymnastics Competitive Gymnast membership at the time of the Regional Qualification Events. Anyone discovered to have been without the correct level of membership for these qualification Events will be disqualified.

- **Lead Coaches**

Lead Coaches' membership level must be Coach or Life Member of British Gymnastics and coaches must be qualified to the level of all the skills being performed by all gymnasts in the club/region before being allowed to participate in a British Gymnastics Event. Lead Coaches must have current safeguarding and DBS certificates, please see Safeguarding section. The Lead Coach may authorise other coaches from their club/region to coach skills at a maximum of 1 level higher than that coaches' qualification (Supervised Coach) but has responsibility for ensuring that they are competent to do so. For further information on the Lead and Supervised Coaches, please click here 

- **Coaches**

Coaches' membership level must be Coach or Life Member of British Gymnastics and Coaches must be qualified to a minimum of level 2. Coaches must be qualified to the level of all the skills being performed by the gymnasts for which they are responsible. Coaches must have current safeguarding and DBS certificates. Please see Safeguarding section.

- **Supervised Coaches**

Please note that Supervised Coaches requirements have now reverted to pre-COVID levels.

To be a Supervised Coach you must be a minimum of Level 2. With the explicit authorisation of the Lead Coach, Supervised Coaches may coach skills at the maximum of 1 level higher than their current qualification. Before being allowed to participate in a British Gymnastics Event, the Supervised coaches must have completed the relevant course or module of the next coaching level covering those skills, although they may not yet be signed off as qualified. For further information on the changes introduced for Lead and Supervised coaches, please click here 

- **Assisting Coaches**

Assisting Coaches' Membership level must be Assistant Coach (if Level 1), Coach or Life Member of British Gymnastics before being allowed to participate in a British Gymnastics Event. Assisting coaches must have current safeguarding and DBS certificates, please see Safeguarding section. Assisting Coaches cannot be responsible for the gymnasts.

- **Choreographer**

Choreographers' Membership level must be Competitive Gymnast, Assistant Coach (if Level 1), Coach, Sport Support Services, or Life Member of British Gymnastics before being allowed to participate in a British Gymnastics Event. Choreographers must have current safeguarding and DBS certificates. Please see Safeguarding section.

- **Disability Chaperone**

Disability Chaperones may be permitted to provide pastoral care to gymnasts in certain circumstances. Under no circumstances may a Disability Chaperone coach a gymnast. In the case where a gymnast has a disability, the nature of which indicates that it is deemed necessary to have additional support, they will be entitled to have a carer present with them throughout the competition. This Disability Chaperone will not be insured by British Gymnastics to take part in any type of recognised gymnastic activity. The Disability Chaperone will be required to sign a code of conduct to ensure they understand the role they are fulfilling within the event environment. The

Disability Chaperone will be required to be dressed appropriately (please refer to the relevant section of the discipline specific code of points) if entering the warm-up hall or field of play.

- **Medical Chaperone**

In exceptional cases, upon written request, a Medical Chaperone may be approved to provide pastoral care to a gymnast with a medical condition. Written medical verification of the need for this carer (from a GP or other medical practitioner) will be required to be submitted to the Events Department at least 1 week prior to the start of the Event. The Medical Chaperone will not be insured by British Gymnastics to take part in any type of recognised gymnastic activity. The Medical Chaperone will be required to sign a code of conduct to ensure they understand the role they are fulfilling within the event environment. The Medical Chaperone will be required to be dressed appropriately (please refer to the relevant section of the discipline code of points) if entering the warm-up hall or field of play.

- **Supervising Chaperone**

The TC may authorise Supervising Chaperones to assist with pastoral care for gymnasts. These entitlements, if applicable, will be defined in the specific competition pages. In these circumstances the Supervising Chaperones must either be qualified as a Level 1 Assistant Coach or be a club/regional Welfare Officer and hold the relevant membership and qualifications, DBS & SPC for their position(s). Supervising Chaperones will not be permitted to enter the field of play.

- **Judges**

Judges' membership level must be Judge or Life Member of British Gymnastics for Club/County/Regional Judges, and National/Brevet Judge or Life Member of British Gymnastics for National and Brevet Judges before being allowed to officiate at a British Gymnastics Event. Members with coaching memberships that also have the required judge qualifications as laid out above are also applicable. 

From time-to-time British Gymnastics may invite international judges to officiate at British Gymnastics events, as such they will not require British Gymnastics membership.

Judges must also hold a current cycle of judging award (Cycle 15)

British Gymnastics does not require judges to complete a criminal record check to judge at British Gymnastics competitions, as the role that judges fulfil at the event no longer falls within DBS or Access NI Eligibility*. However, some judges are actively involved in club gymnastics and may provide judging instruction to children in a training environment or carry out a supervisory role (or may complete a criminal record check by virtue of another role they undertake e.g. coach). As not all judges use their qualification in the same way, it is the club's responsibility to assess the role the judge is undertaking and determine whether the activities involved fall within the eligibility criteria for a criminal record check. British Gymnastics no longer requires all judges to complete safeguarding training, but clubs should ensure any judge who supervise or instruct children has completed appropriate training.

* Judges who hold Scottish Gymnastics membership should refer to Scottish Gymnastics  for further guidance as to whether a check is required.

For further information on membership levels please visit the British Gymnastics Website. 

Coach Qualifications

When submitting entries for a British Gymnastics Event, clubs/regions must ensure that all coaches are qualified at the appropriate level.

Where Supervised Coaches are coaching skills one level above their current qualification, they must have been working in the training environment on these skills under the direct supervision of a coach who is qualified at the correct level. All coaches should continue to conduct risk assessments prior to undertaking any skill and assess the appropriate level of skill and support needs of both the gymnast and the coach on the floor at the event.

All Coaches must have completed the [British Gymnastics Positive Coaching module](#) 

All Coaches entered into the event entry MUST be the same as those attending the event. It is unacceptable to enter a coach you know will not be attending. The Lead Coach has the ultimate responsibility for all the participants from their club/region and that of the Supervising Coaches, Assistant Coaches, Chaperones & Choreographers.

It is the club/region's responsibility to ensure that only accredited coaches are on the Field of Play and warm up areas.

Coaches who are used to push mats must be at least a level 2.

Lead Coaches have a duty of care towards their performers and have responsibility to ensure that all of the coaches under their supervision are both qualified and competent to teach at the appropriate level, as well as ensuring that the participant is adequately prepared, physically and psychologically, for performing their routines in a competition situation.

Additional Assisting Coaches (Level 1 and above) may be accredited, at the discretion of the Organiser, to be present in the competition arena to assist with the pastoral care of the gymnasts. Assisting coaches may not coach the gymnasts unless they fulfil the requirement of holding a recognised qualification suitable to the level of skills being performed.

Additional Medical and Supervising Chaperones may be accredited, at the discretion of the Organiser, to be present in the warm up hall and where applicable the Field of Play, to assist with the pastoral care of the gymnasts. Chaperones may not coach the gymnasts.

If it is found that a club is in breach of these policies British Gymnastics reserves the right to reject an entry on the grounds of gymnast safety or, if discovered post performance, to disqualify the competitor and remove their score(s) from the official results.

Safeguarding

All Coaches, Lead Coaches, Supervised Coaches and Assisting Coaches are required to hold a valid DBS certificate, or Home Nation equivalent, and have current Safeguarding and Protecting Children Awareness training at the time of the event.

Coaches who do not fulfil this requirement will not be accredited or allowed to participate at British Gymnastics Events.

All gymnasts must have an accredited coach, present on the field of play and in the warmup hall at all times. If a gymnast attends a competition without a suitably qualified coach or supervised coach, they will not be allowed to compete.

More information about our safeguarding requirements and the training/certificates that we accept, can be found on our website via the [Safeguarding and Safe Sport page](#) under 'Safeguarding', and by scrolling down to 'Training'.

Coaches must also have a valid home country criminal record check both at the time of entry and through to the end of the event before being allowed to participate at a British Gymnastics Event.

Nationality

Participation in all British Gymnastics Events is subject to the requirements of membership, club/regional registration and other conditions of entry.

In addition, the following regulations concerning Nationality are applicable to British Gymnastics Events.

British Championships

Only those in possession of a valid United Kingdom passport (and do not hold a FIG licence for another member federation) are eligible to be ranked in the official competition results, where a British Championships title is being contested. This is effective for individual competitions. In team competitions or where gymnasts compete together as part of a group/partnership, all of the gymnasts must be in possession of a valid United Kingdom passport in order for that team/group/partnership to be ranked in the official competition results.

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Performance Director (or their appointee), those who are not in possession of a valid United Kingdom passport may take part in competitions where a British Championships title is being contested. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG statutes. They will receive score(s) but will not receive a ranking in the official competition results. In such circumstances gymnasts will be referred to as Guests.

Gymnasts holding dual citizenship (including a valid United Kingdom passport) are only eligible to receive a ranking in the official results (either as an individual or as part of a team/group/partnership) if they do not hold a FIG Licence registered by another FIG Member Federation or have not represented another FIG Member Federation.

Gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Performance Director to take part in the British Championships. They will receive score(s) but will not receive a ranking in the official competition results.

Other British Gymnastics Events

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Performance Director (or their appointee), non-British citizens may take part in other British Gymnastics' Competitions. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG Statutes.

Those gymnasts who are not in possession of a valid United Kingdom passport must have been a member of British Gymnastics for at least one year prior to the date of the competition in order to be eligible to take part. During this period the gymnast's sole or main residence must be within the United Kingdom.

They will receive score(s) and will receive a ranking in the official Competition results. This is effective for both individual competitions and competitions where gymnasts compete together as part of a team/group or partnership.

Where a Competition provides a qualification route to take part in a British Championships, the results of a non-British citizen will not lead to the displacement of a British citizen who would have otherwise qualified for the British Championships.

In exceptional circumstances, gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Performance Director to take part in British Gymnastics Events. The Technical Committee with approval from the Performance Director will have the discretion to determine whether their scores will contribute towards the official Competition results.

Disclosure

It is the responsibility of the person making the event entry to ensure that all of the gymnasts have declared their nationality by contacting the events team at point of entry.

Policy for the Participation of Trans People in Gymnastics Competition

For information on Transgender, please refer to the Policy for The Participation of Trans People in Gymnastics Competition

Competition Entries

Entry Process

Entry to all National British Gymnastics Events are Online only.

Complete instructions for adding an entry via the GymNET online Entry Portal are available to download from the British Gymnastics Website [🔗](#)

All entries must be fully submitted electronically to British Gymnastics by the stipulated closing date and time.

Prior to the event, an entry may only be amended by the person making the original entry.

Guests

If a gymnast wishes to compete as a guest (see Nationality section above for details of guest gymnasts) at a British Gymnastics event the club/coach must contact the events department in the first instance before the closing date. Guest gymnasts will be placed on a waiting list. Following the competition closing date, a decision will be made between the Technical Committee, the Events Department, and the Performance Department as to whether the entry can be accepted. If the entry is accepted the entry fee will then become payable and entered into the club basket.

Disability Gymnastics

British Gymnastics is focused on ensuring fair and equal opportunities are provided to all gymnasts.

Disabled gymnasts may compete in both mainstream and dedicated disability British Gymnastics competitions, providing they meet the eligibility criteria for the competition. Disabled gymnasts may switch between mainstream and disability competitions within the same or different disciplines. Only those disabled gymnasts who meet the eligibility criteria may compete in disability competitions.

All gymnasts competing within a mainstream competition will be judged by the same rules and criteria regardless of ability and/or disability.

As part of the development of Disability Gymnastics, British Gymnastics has produced its own sport specific Disability Gymnastics Classification Certificate. The classification certificate is contained in a pack which also clearly defines the eligible impairments for Disability Gymnastics Competition. All disabled gymnasts should complete a classification certificate as good practice when competing at regional level or above. A classification certificate is compulsory for gymnasts competing at a British Gymnastics National Event.

Disabled gymnasts will be required to provide proof of Disability at least six weeks before the event. Please note that unless there are any significant changes, a Disability Classification Certificate only needs to be completed once in most cases. Please complete and return the Disability Gymnastics Classification Certificate by following the instructions in the [Disability Classification Pack](#) [🔗](#)

Although there are 44 different eligible classifications (Profile groups) in the Classification Pack, this does not mean that there are 44 different competition categories for Disability Gymnastics competition.

The Disability competition classification categories available can be found within the information pages for each competition which has integrated disability.

All clubs and coaches must inform the British Gymnastics Events Team of any gymnasts who have medical conditions or impairments that require special consideration at British Gymnastics events. This information should be shared with the British Gymnastics Events Team at the point of competition entry and will enable the British Gymnastics Events Team to endeavour to make any reasonable adjustments in line with the Equality Act and where possible to cater for the additional needs of each gymnast.

Methods of Payment

Payment can be made by Debit Card, Credit Card or BACS payment. BACS payment however may slow the entry process. Payments should be received by British Gymnastics within 48 hours of the entry being submitted.

Cheques are no longer accepted, therefore clubs and regions must arrange alternative payment methods.

Entry fees are non-refundable after the closing date.

British Gymnastics Foundation Hardship Grants

Our Charity, the British Gymnastics Foundation, runs a Hardship Grants programme which provides grants of up to £500 for individual members of British Gymnastics, who are experiencing significant financial hardship. If you are unable to afford the costs of participating in gymnastics, and are in danger of dropping out of gymnastics because of this, then please do apply for a hardship grant [here](#). The cost of competitions is an eligible item of expenditure within the Hardship Grants criteria. Please note that the Hardship Grants programme is not continually open for applications, but details on grant round timings can be found on the Hardship Grants application page in the link above.

Late Entries

Late entries will only be considered in exceptional circumstances and only up to 7 days after the closing date.

In the unlikely event of a late entry being accepted, payment of three times the normal entry fee stated for the competition will be required for individuals (including partnerships and groups). For team late entries the fee will be double (including clubs and regions). However, the late entry payments will be capped at £1000 (i.e. the additional payment over and above the normal entry fee per gymnast / partnership / group / team will be capped at £1000).

Late entries must be made in writing to the British Gymnastics Events department and will then be referred to the Organiser for consideration. The Organiser and British Gymnastics Events department will have absolute discretion whether to accept a late entry.

Late entry requests may be placed on a reserve list and clubs notified if their entry is accepted following a withdrawal, up to 1 week prior to the event.

Withdrawals and Substitutions

Amendments to an entry before the closing date will not incur a penalty and in the case of withdrawals, the entry fee will be refunded. Entry fees are non-refundable after the closing date.

For NDP Individual & Regional Team Finals, if a Region wishes to make a substitution (due to the withdrawal of a previous regional entry) of a gymnast, they can only do so up to one week before the event, in writing to the British Gymnastics event department after the entry is closed. Proof of qualification of the substitute must also be provided if applicable, at the time of the request. Substitutions will not incur a fee however there is no guarantee that the substituted names will be included in the spectator programme or other event related items.

Where it is necessary to substitute a Coach the club must inform the British Gymnastics Events Department, so the Coach can be checked for membership, awards and safeguarding, before they can be accredited for the Event.

Where, through unforeseen circumstances, this is not possible or, where information has not previously been supplied, the substitute must inform the Organiser immediately on arrival at the venue and produce their coaching award certificate, and current British Gymnastics specific DBS.

Where there are specific rules and/or processes relating to withdrawals and substitutions please refer to the specific event page.

Non-Participation Fee

By entering a gymnast (individual/partnership/group) or a team (team events) into an event, the enterer accepts that, should any gymnast or team fail to register to compete by the end of registration for a competition, the appropriate fee for non-participation will be added to the club basket or in the case of regional entries, basket of the person making that entry.

Fees will be charged as follows:

£25 – Individual / Pair

£50 – Trio / Group / Team

Should a gymnast be withdrawn, for whatever reason, the club or coach must inform the Organiser and Events Department in writing via email or notifying a member of the events team at the registration desk up to the close of registration for the relevant session. Email addresses are listed in the Contact Information on [page 6](#) of this Competition Handbook. Withdrawals will only be accepted via email.

Failure to inform the Events Team or the Organiser as laid out above will result in the non-participation fee being charged.

Competition Attire

- **Gymnasts**

In order to make British Gymnastics' events more inclusive and accessible, a new policy has recently been approved by the Board, following consultation with the National Technical Committee and having adopted feedback received from the community.

In principle this policy overarches but should be read in conjunction with the discipline specific policies and references in the Codes of Points and other documents.

In essence the policy seeks to break down barriers to participation by for example removing gender specific requirements for competition attire. e.g. girls may now wear shorts or leggings.

These overarching principles may be found in the [Competition Attire at Events for Gymnasts Policy](#) 

The implementation of this policy will be monitored for the first year and reviewed accordingly, but coaches are encouraged to contact British Gymnastics office, or their respective Competition Organiser should they have any queries about the attire that they propose for their gymnast to wear at British Gymnastics events.

Advertising must adhere to the [Advertising on Clothing & Competition Attire at Events Policy](#) 

When representing your Club (excluding NDP Individual and Regional Team Finals – Home Nations only), the wearing of GBR or Home Country attire at British Gymnastics Events is strictly forbidden. For the avoidance of doubt, any inclusion of the Union Flag (or home nation flag) within the design of any leotard is expressly forbidden.

By being in breach of this rule, the FIG/EG sanctions will be applied – see link 4.6. Sanctions 4.6.1. Penalties for misuse are listed in the FIG/European Gymnastics Code of Points for each discipline. 4.6.2. In case of discrepancy or interpretation for penalties, the FIG/European Gymnastics Code of Points prevails in all cases.

Strapping – a suitable colour of tape should be used, i.e. no bright colours or patterns.

The removal of leotards on the field of play is not allowed.

- **Coaches**

Coaches must wear a tracksuit with full length tracksuit bottoms or full-length tracksuit bottoms with a collared polo shirt or club/region t-shirt and appropriate gym/training shoes.

The wearing of GBR or Home Nation attire at British Gymnastics Events is strictly forbidden.

Long hair should be braided or tied back so as not to obscure vision.

Coaches will not be allowed on the competition floor if wearing ANY jewellery. If it is impossible to remove items of jewellery they should be taped. Exceptions are as per [Health & Safety Guidance: Safe Coaching](#) 

- **Judges**

Male: Blazer or suit, trousers, white shirt, British Gymnastics/FIG or plain dark tie, black or blue shoes

Female: Blazer or jacket, skirt or full-length trousers, white blouse, black or blue shoes (without heels)

Recorders, computer operators and other officials who may be working alongside the judges should dress similarly.

Please refer to discipline specific rules in the [FIG General Judges' Rules 2022-2024](#) for further information. 

For gymnasts, coaches and judges, chewing gum is not allowed at any phase of the competition, including the opening ceremony and presentation of the awards or closing ceremony.

Music (where applicable)

All music for competition routines must be uploaded onto the GymNet portal at the latest one week before the competition date (see event page for specific time and date). If your gymnast does not require music, please tick the 'Music not required'.

Instructions for submitting music electronically may be found within the [Online Entry Guide](#) 

Coaches are advised to carry a backup copy of all music files (contained within an USB storage/flash drive) that can be used in the event of any technical issues with the music submitted. Each track on the USB drive must be in MP3 format and clearly labelled with the following format:

Gymnast Names -Club-Category-Routine

Late Music Submission (where applicable)

Late submission of music will attract a fee of £20.00 per gymnast/partnership/group/team. This fee will be added to the club basket. In the case of regional entries, the fee will be added to the basket of the person that has made the entry. Music not uploaded by the deadline cannot be guaranteed to be uploaded on the day.

Music Licensing (where applicable)

All music used in competition routines must conform to the relevant licensing requirements. Details may be found upon logging into the Club Hub Resources Website and accessing the PPL/PRS page via the "Places" tab. 

Certain tracks belonging to Disney, Andrew Lloyd Webber and Cirque du Soleil can be used but this should be checked on the PPL Website to confirm the track is included within their repertoire.

To check tracks, go to  and enter the artists name and title. Any music listed as part of the search can be used.

If the track is not included within the listed tracks the club must apply directly to Disney, Andrew Lloyd Webber, or Cirque du Soleil to use the track and pay the relevant licensing fees.

Order of Performance

The order of competing for individual events and team events shall be decided according to the competition arrangements made by the Organiser or such officials as may be authorised by the Technical Committee. For the purpose of maintaining a smooth and timely running of the event, or where the safety, security and good performance of the gymnasts is a concern, the Technical Committee reserve the right to alter the grouping of gymnasts and/or running order of performances as may be deemed necessary by the Organiser or authorised officials, up to the start of warm up.

Wherever practical the Organiser shall produce and circulate to all participating clubs a provisional start list and running order for an event at least 2 weeks before the day thereof.

Registration

Coaches must make adequate provision for the supervision of their gymnasts upon arrival at the venue. Gymnasts will not be allowed to register or begin warm up without their coach present.

Only register your Gymnast(s)/Club/Region when those competing in that section of the event have arrived at the event and intend to compete. Please inform the registration desk of any withdrawals as soon as possible.

During registration accreditation/passes will be issued. Abuse of accreditation/passes may result in disciplinary action taken by British Gymnastics.

Specific registration processes where appropriate can be found in the event work plan.

Access to Warm up Hall

Access to the warm up hall will be limited to the appropriate number of Coaches and Chaperones (where applicable) as defined in the specific details section for each Event.

On arrival, coaches will need to register and collect their accreditation from registration.

In the case of events spanning more than one day, accreditation will be issued for each day.

At larger national events the FIG/UEG recognised accreditation system will apply.

Abuse of accreditation may result in disciplinary action being taken by British Gymnastics.

Judges will not be allowed into the warm up hall, once the judges meeting has taken place.

Food and Drink

There may be restrictions within the competition areas with regards to food and drink. This is to manage food intolerances and allergies.

Babies and Young Children

In the interests of safety, for the smooth running and professional presentation of the events, babies and young children are not permitted to enter the warm up hall or field of play, even if they are being supervised by an adult.

Medical Provision

Anyone requiring First Aid assistance should speak to either the Organiser or British Gymnastics medical team. It is recommended that all coaches have a First Aid kit with them for minor injuries.

At all British Gymnastics Events an official medical team will be appointed and will be available to treat gymnasts who sustain an injury at the event. The medical team are not able to treat pre-existing or chronic injuries.

Any injury occurring during the official training or competition must be reported to the medical team, to ensure a record can be kept of treatment given and by whom.

The decision of the British Gymnastics appointed medical officer as to the gymnast's health, medical status, and their ability to compete at the event is absolute and final.

Medal Ceremonies

Except in exceptional circumstances, gymnasts who win a medal at a British Gymnastics Event are expected to remain in the venue until the completion of the competition and participate in the medal presentation ceremony in order to collect their award in person.

Medals will only be distributed at events, not by post.

Attire for medal ceremonies is according to FIG World Championships or European Gymnastics rules. 

Tenure of Trophies

All perpetual trophies remain the property of British Gymnastics.

Perpetual trophies are the responsibility of the winning club or region. The club or region are responsible for the inscription of, as well as safekeeping and maintenance of, the trophy and for returning it to the Organiser prior to the competition the following year by either; -

- Making arrangements for it to be delivered to the competition venue on the day.
- Returning it to the competition organiser at least one week prior to the competition.
- Returning it to the British Gymnastics offices at least one week prior to the competition.

Failure to do this or loss of a trophy will incur a cost to the individual / club.

Privacy

British Gymnastics Privacy Notice 

At many events, British Gymnastics may produce event merchandise (eg event tshirts). These may include the names and/or clubs of the gymnasts taking part.

Where competing gymnasts have a disability, it may be necessary to share the details of this disability with Performance staff and the Technical Committee in order to discuss if modifications to rules and processes are appropriate arising from this disability.

The scores, results and “Judgecam” videos from British Gymnastics events, where BGScore is present will be made available in the BGScore App and also published on the British Gymnastics Website in the specific event page.

Video, Film and Photography

Photographs and video footage will be captured at British Gymnastics events.

British Gymnastics accredited photographers and the media may be present and in some cases events may be live streamed by the British Gymnastics TV production team, or broadcast partners. The images taken at events may be used by British Gymnastics, GEL and the British Gymnastics Foundation for the purposes of promotion, education and development of the sport.

They may also be shared with journalists, through social media outlets e.g. Facebook, Instagram, YouTube etc. and our third-party partner organisations for general promotional purposes.

Anyone who does not wish themselves or their child to be photographed/filmed at the event must advise the British Gymnastics Events Department or the Event Organiser. Although it is not always practical to manage the content of live streamed footage, we will make every effort to ensure any identifiable images of the participant are not published.

British Gymnastics will display clear signage and make announcements about photography and filming at relevant events. Any footage of children and individuals who are vulnerable will be published in accordance with our relevant safeguarding policy.

To make our events entertaining and easy to follow for our audience and fans, we announce and publish information about participants, including nationality, scores and achievements.

Videos of routines performed by participating gymnasts taking part in our major events are made available on the BG Score App and website but access is restricted to British Gymnastics members.

We delete event photographs and videos after five years unless we consider them to be of public interest and should consequently be archived for historical purposes. Where images have been published on social media, these platform providers may continue to process your data after the retention period has lapsed.

Any person wishing to use video, film or take photographs must abide by the [British Gymnastics Health Safety and Welfare Policy](#) 

Photos may only be taken for personal use. Unless specifically accredited to do so, you may not take photos for sale, other commercial use, or publication in printed or electronic form, such as on websites.

Clubs may publish some photos but this may only be done in accordance with [British Gymnastics Photography Policy](#)  and in conjunction with the [British Gymnastics Safeguarding Policy and Health Safety & Welfare Policy](#) 

Flash photography may not be used at any time while gymnasts are warming up or competing.

Photography on the Field of Play by gymnasts, coaches and officials is not permitted.

If you have concerns about the identity or actions of any photographer or if you believe that any unsuitable photos are being taken, you should report your concerns to the British Gymnastics appointed Welfare Officer at the event.

Health & Safety

The health, safety and welfare of all participants (gymnasts, coaches and officials) is the primary consideration.

All British Gymnastics policies and procedures will be rigorously applied with regards to health, safety, welfare and Safeguarding & Protecting Children.

Overnight Stays

Government legislation requires that when a club takes a gymnast(s) under the age of 18 years on a journey involving an overnight stay, the club must ensure that there is a designated trained person responsible for child protection on the trip. To adhere to the CPSU child protection standards this person must not be related to or in a relationship with the coach attending the trip.

The training for the designated person should be British Gymnastics recognised Safeguarding and Protecting Children award or Home Country equivalent. The appropriate criminal records checks should also have been completed.

For Overnight Trips the appropriate form needs to be completed in full and sent to British Gymnastics at least six weeks prior to travel so we can get your trip approved and endorsed by our insurers. Failure to inform British Gymnastics of any overnight stays may invalidate your insurance. You can find the UK Overnight Stay Application form by following this link. 

Please note that the British Gymnastics Membership Insurance does not cover Travel or Emergency Medical Expenses, we therefore recommend that where necessary you take out additional Travel Insurance. 

Drug Free Sport

The testing programme may affect any elite gymnast performing at a national standard.

Manipulation of Competition

British Gymnastics, as a sports organisation bound by the Olympic Charter and the International Olympic Committee Code of Ethics, declares our commitment to support the integrity of sport and fight against the manipulation of competitions by adhering to the standards set out in the Olympic Movement Code on the Prevention of the Manipulation of Competitions and by requiring their members to do likewise. Women's Artistic Technical Information

Code of Conduct

British Gymnastics National Technical Committee Code of Conduct 

Women's Artistic Judges Code of Conduct 

British Gymnastics, acting through the Board or its Committees, reserves the right to refuse any entry and disqualify an official, judge, gymnast or team at any time, if they do not comply with British Gymnastics regulations.

Regional Representation

Gymnasts may only represent the region to which their club is affiliated.

Exceptional circumstances will be considered following written application to the WTC.

Where regional entries are made, gymnasts and coaches must be selected according to the rules and will represent their region, not club. Gymnasts must be in regional uniform. Non-matching leotards/unitard will be deducted according to FIG rules. However, there will not be a deduction if one gymnast decides to wear plain shorts or a unitard providing the body of the leotard/unitard is matching.

Where regional entries provide a pathway to national events coaches must be qualified according to the rules laid out in [Pages 9&10](#) of the National Competition Handbook.

Qualification from Regional Events to National Finals

Gymnasts attempting to qualify for national finals through a regional qualifying competition must attend the competition held in their own region and have one opportunity to qualify. Extenuating circumstances will be considered following written application to the WTC before any attempt to qualify in another region.

Coaches

Where more than one coach is permitted, FIG regulations apply. FIG COP Section 3 P1 regulations for coaches:

Number of coaches Permitted in the Inner Circle:

Complete teams – 1 female and 1 male coach or 2 female coaches; if only 1 coach, then the coach may be male. 

Competition Apparatus

Unless otherwise stated, the equipment at British Gymnastics national events will be to current FIG specifications and GB modifications where applicable: Only apparatus supplied at the request of the WTC may be used at national events.

Tall Gymnasts – Uneven Bars

In line with the Cycle 15 CoP 2022-2024 that has been used for all WAG competitions from 1st January 2022, the height of the bars will be raised as standard by 5cm on each bar. An additional 5cm increase of the high bar can be requested for all gymnasts that still touch the mats with their feet during the exercise. This request must be made at the time of entry. This must then be verified by the Chair of Superior Jury or a member of the Superior Jury during training. 

Unauthorised raising of the bars will be penalised in accordance with the FIG regulations.

Inquiries:

Official WTC inquiry forms are available from the Superior Jury and must be completed and returned to them within 10 minutes of the score being published. A coach should register their intention to inquire by approaching the Competition Organiser before completing the form. If a coach has approached the judging panel and discussed a gymnast's score, they cannot then register an inquiry. A coach may only inquire about the D score. Coaches can also request a time or line review.

The supervising coach for the club/region of the competing gymnasts places the inquiry form with the Superior Jury.

- First inquiry: £25
- Second inquiry: £50
- Third and subsequent inquiries: £75

The placement of an inquiry form becomes a contract to pay the appropriate fee.

This fee will not be collected in cash at the event but added to the basket of the club/coach concerned if the inquiry is not upheld.

The WTC cannot accept any video or photographic analysis at an event unless an official video replay system is available at each piece of apparatus and could be referred to by the Superior Jury for the benefit of every competitor.

Age Policy

Gymnasts' ages for the purpose of entry to all age dependent categories will be taken as the age reached in the year of the competition.

The minimum age for entry to National British Gymnastics events is 9 years in the year of competition. The minimum age for entry to Women's Artistic National British Gymnastics events is 10 years in the year of competition.

To view further information on age, participation and competition please view the [Health & Safety Guidance: Coaching Practice](#) document (available within the Resource Library on GymNET).
